

5th Grade Weekly Newsletter

For the week of September 29 - October 3

Key of the Month: Integrity

A big thank you to the parents who came to the Star of India meeting last week. There was lots of buzz amongst the students the following day. It really is a fun trip and we're excited to get to do this as an overnight trip for the second year. **Tuesday is the final day to turn in your deposit** so we can make our final head count and secure the dates.

Reminders and Upcoming Events:

Science Test

On Monday or Tuesday, your child will be taking their Web of Life Unit science test. All of the Mystery Science videos are posted in Google classroom for them to review. They also will need to turn in their Mystery Science and Review Packets before their test.

Opinion Essay

This Friday, 10/3, your child's Opinion essay is due. They have been working on this in class for 3 weeks already. Please check in with your student. We encourage you to have your child share their essay with you before they submit their typed essay on Friday.

LFCS Talks

Welcome Andres Jimenez to the mic! This year we have some great new podcasts launching starting with this conversation with our new high school AP Mr. Jimenez. This podcast is available on [Youtube](#), [Spotify](#), or [Apple](#). Please take the time to give it a listen.

What we're learning this Week:

Language Arts: Grammar, Opinion essay

Math: Unit 2: Whole Number Place Value and Operations

Literature: Bridge to Terabithia

Science: The Web of Life

History: Early English Settlements

Core Content: Figurative Language & Poetry Gallery

Character Corner

Integrity:

Integrity is doing the right thing, even when no one is watching.
